5 Steps to Complete the FPMS Video Tutorial

1. To begin the process, go to www.imagine-america.org/fpms

2. You will need to have Adobe Flash Player in order to view FPMS. To check if you have Adobe Flash Player visit the test site http://www.adobe.com/software/flash/about/, this will display which version of Flash Player is installed and if it is installed correctly.

   Additionally you will need to make sure that you have your pop-up blocker turned of permanently for this website. If you are using Internet Explorer:

   - Open Internet Explorer by clicking the Start button, and then clicking Internet Explorer

   - Click the Tools button, under the Privacy tab, click Pop-up Blocker, and then click Pop-up Blocker Settings

   - In the “Address of website to allow” box, type asp.imagine-america.org and then click Add. Or click on the Tools button and go to Pop-up Blocker and select Always allow pop-ups from this site

   Once you turn off the pop-up blocker, permanently for this site, you will need to refresh the page or go back to www.imagine-america.org/fpms.

3. Now enter in your Application Id under the Imagine America Applicants section. Then click on “Start FPMS Simulation”.

4. To begin choose an avatar. The video tutorial may start in a new pop-up window. View the tutorial in its entirety. To complete the tutorial you must click on the "Simulation Complete" button at the end of the video.

5. After clicking on the "Simulation Complete" button you will receive a confirmation page. This may take a few seconds to process, please wait until the confirmation page pops-up, this maybe in a new window. If you do not receive a confirmation page, the tutorial was not completed and you will need to start over or contact us at scholarships@imagine-america.org.
